Dear Sarah Harping, ALJ

There were many questions during my testimony yesterday. I cannot remember if Mr. Dougherty actually asked me if the tax returns I filed for Patricia Olsen were filed accurately. Mr Dougherty did ask me if I signed the tax return and I stated that I did. If possible, I would like to add to the hearing record that all of the tax returns that I have filed for Patricia Olsen were complete and accurate and that all sources of income, including payments to Patricia Arias for Contractual Services, Account 636 were included as income. In reference to the 2012 tax year, as stated in my email dated 4-4-2013 at 4:50pm, that is part of the exhibits, the \$15,410 in payments to Patricia Arias were reclassified as non deductible draws from the Capital accounts, which increased the taxable income of MRW Co. by \$15,410.

Thank you for your consideration in adding this to my testimony.

Sincerely,

*John Campbell*
